

Register your Motiva Implants® in the MotivaImagine® App or Web App

1

Download the **MotivaImagine® app** from your mobile store or go to register.motiva imagine.com

2

Click "Email Address" on the left.

3

Select "Patient"

4

Fill out the requested information

5

Read our terms of conditions and privacy policy, check the box indicating you've read them, agree to them, and click "Register"

6

Fill out the requested medical information and click "Next"

7

Click "Register your Implants"

8

Fill out the requested information about your implant(s) using the **Motiva® ID card number(s)** provided by your surgeon

9

Select your registration type:
 • Option A: Serial Number (SN)
 • Option B: Electronic Serial Number (ESN) (implants with Q Inside® Safety Technology)

10

Enter your SN or ESN and the online validation code, located on the right side of the traceability label

11

Click "Submit" to register your implant(s). You will receive a confirmation email indicating that your implant(s) have been successfully registered and a second email with instructions to create your password.

All Motiva Implants® are covered against rupture by the **Always Confident Warranty®** for the lifetime of the device and by our Product Replacement Policy against capsular contracture, Baker grades III and IV for a period of 10 years.

We also offer our **Motiva® Extended Warranty Programs**, which you may decide to participate in according to your personal case for additional coverage:

For Motiva Implants® without Q Inside® Safety Technology
2Y Motiva® Program

For Motiva Implants® with Q Inside® Safety Technology
1Y & 5Y Motiva® Program

For further information and for full terms and conditions visit; www.motiva.health

Serial Number

Electronic Serial Number

Validation Code

It's important that you register your Motiva implants® within the first 90 days of your surgery date to be eligible for the extended warranty programs.
